Playing History:

I grew up playing in Tennessee for a local club until Atlanta United scouted me at the age of 13. I played for the Atlanta United academy for 4 years. During that time, I trained with the first and second team. I was also on the bench with the first team for a pre season friendly game at the age of 17.

I left Atlanta United during my u19 season and decided to go back to England. I trained with Salford City u23s and I also played semi pro at the age of 18.

When I returned back to the United States, I was still 18. I joined Sacramento republic. I was on the first team roster. I played there for 1 season.

This past season, I played for One Knoxville in USL league 1.
